Have you turned in your registration packet? If not, please get with Ms. Terri and do so. I am starting to plan for next year and it is vital that I have information as I work on our school's plan for next year! I am so excited to welcome our new Kindergarten class!!!

A very special thanks to our amazing community that worked so hard to make the Spaghetti Dinner such a success. We raised over \$12,000 and that money will be put to great use as we continue our mission to provide the best most relevant and rigorous education possible for our students.

Please plan to walk with St. Gabriel in the Snake Saturday Parade in North Kansas City on Saturday, March 11. The parade starts at 11:00. An email will be sent soon with more detailed information on float build and start location. If you did not order a t-shirt, no worries, we will have some for purchase if the school office. If you did order a t-shirt, once those arrive, we will get them home. The theme this year is "Leaping Leprechauns". Special thanks to our Snake Saturday committee for their work in making this a fun day for our community.

Thoughtful Moments: On Ash Wednesday, I joined Diane Pickert for street ministry. On this day she and I took the blessing bags that our students made during CSW and handed them out, one by one, to members of our city who needed them. It was a humbly experience as I stood among them and received thank yous and hugs. It was them saying that tonight their prayers would be for me. It was an experience I will not soon forget and one that I hope to do again. Most importantly I wanted to share that

the work our students did on that Monday morning was appreciated by over 100 people, many of which I saw face to face.

Attention! Attention! New Hot Lunch Program Coming to

STG for the 2017-2017 School Year! Our students have

spoken and we have listened! Starting next year our school

lunches will be catered by Lou's Catering. After much thought and consideration and with the help of Fr. Joe and Agnes, it was determined that the best for our school is to stop cooking food in house and begin this new and exciting adventure.

Will there be some growing pains...YES, but our students are going to get more of the food they like! As the school year closes, more detailed information will be presented and sent home. Get ready for new options and to continue to enjoy some of your favorites!

If you know any parish families or friends that might be interested in our school please invite them to share a cup of coffee with me as I take them on a tour of our school and share information with them in regards to our community, standards, curriculum, tuition, fundraising, ways to get involved and much more! No need to RSVP, just show up and get some questions answered and see our school. The dates to pick from are March 13 and 28 at 8:15 in the Library.

Conversations About School Part 3

“Describe a book you enjoyed today.” This gives you an idea of what your child prefers to read. Then, build a daily reading habit by asking what they would like to read that evening. Encourage her reading and listening skills by reading aloud to her and letting her read to you.

Be Christian, Be Safe, Work Hard

Testing Dates for our 4th-8th grade students are below. PLEASE arrive to school on time and do not schedule appointments during this week. We are so excited for our students to show how smart they are!

**Iowa Assessment
April 3-7**

St. Gregory the Great, a patron of teachers, was a pope and writer who invented the calendar we use today as well as a form of church music that bears his name.
